SPIRIT

Being an Ohatchee Indian means having SPIRIT and showing spirit. We express our spirit in many ways and with many different feelings. We paint up our faces and wear weird clothes and yell 'till our hearts are content at the pep rallies. No matter what we may be doing, our spirit is always a top priority during our days at Ohatchee High School.

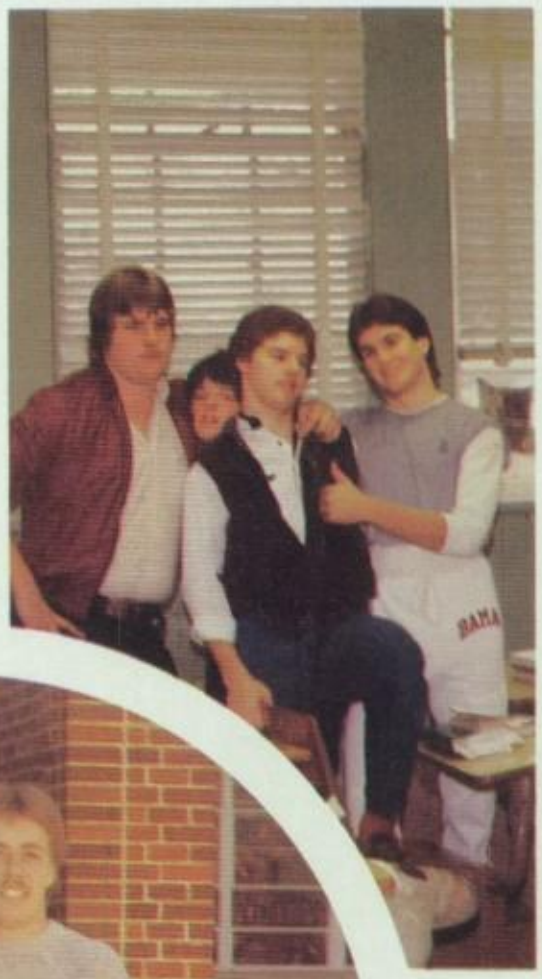
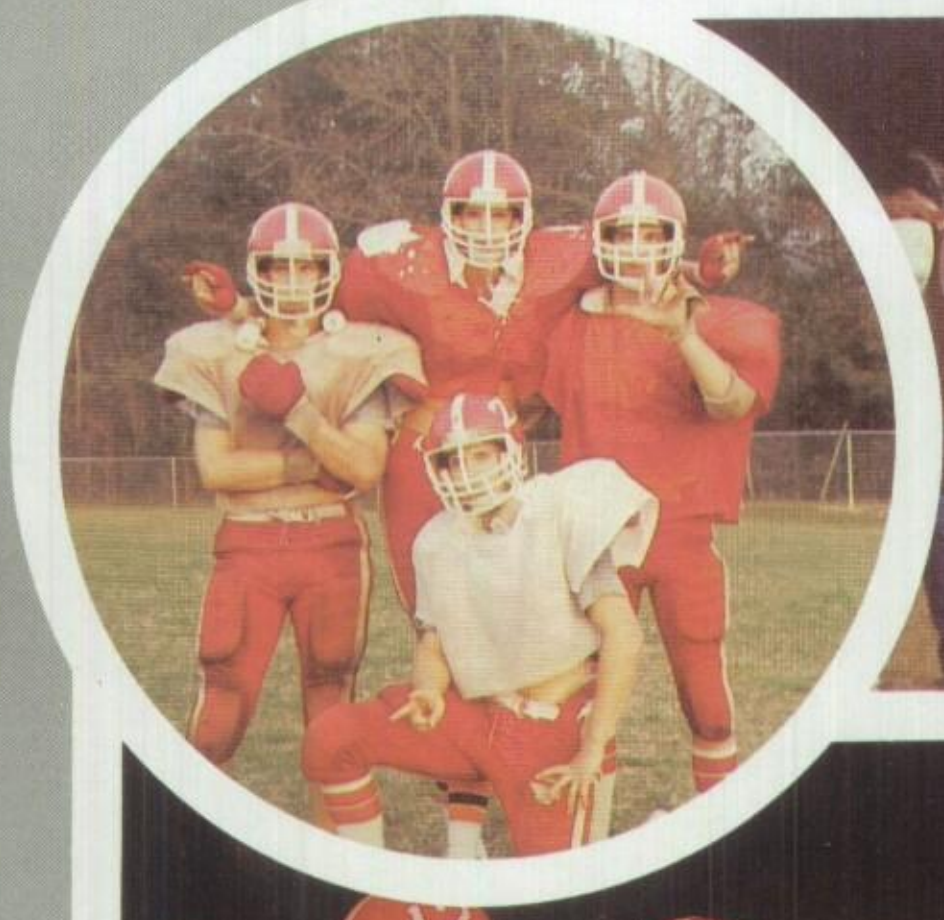
FRIENDSHIPS

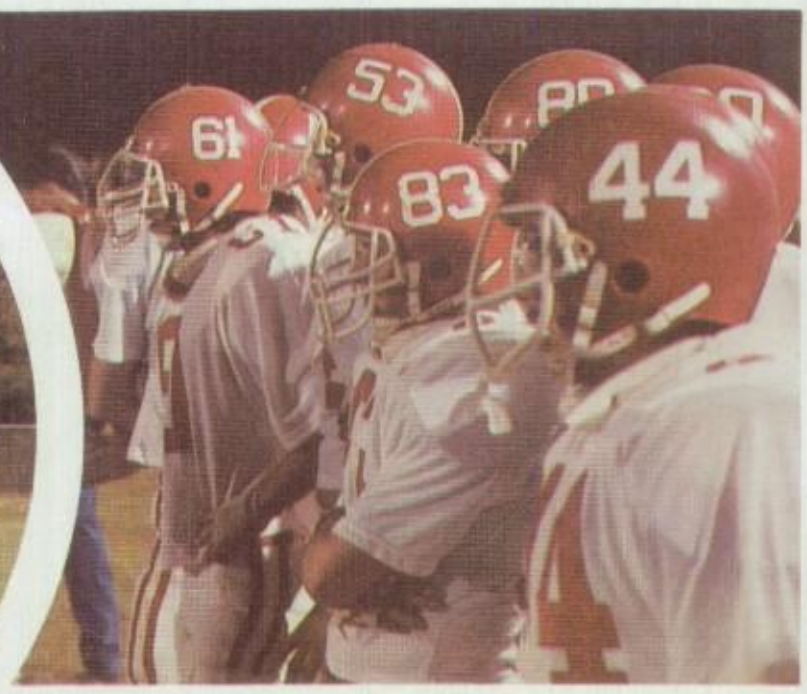
During our years in school we do a lot of
growing in all areas of life. But,
one of the main areas is that of FRIENDSHIPS.
We go from year to year, experiencing the
good and bad, sharing our laughter, our tears,
and our frustration — basically, learning
to love one another for our true self.

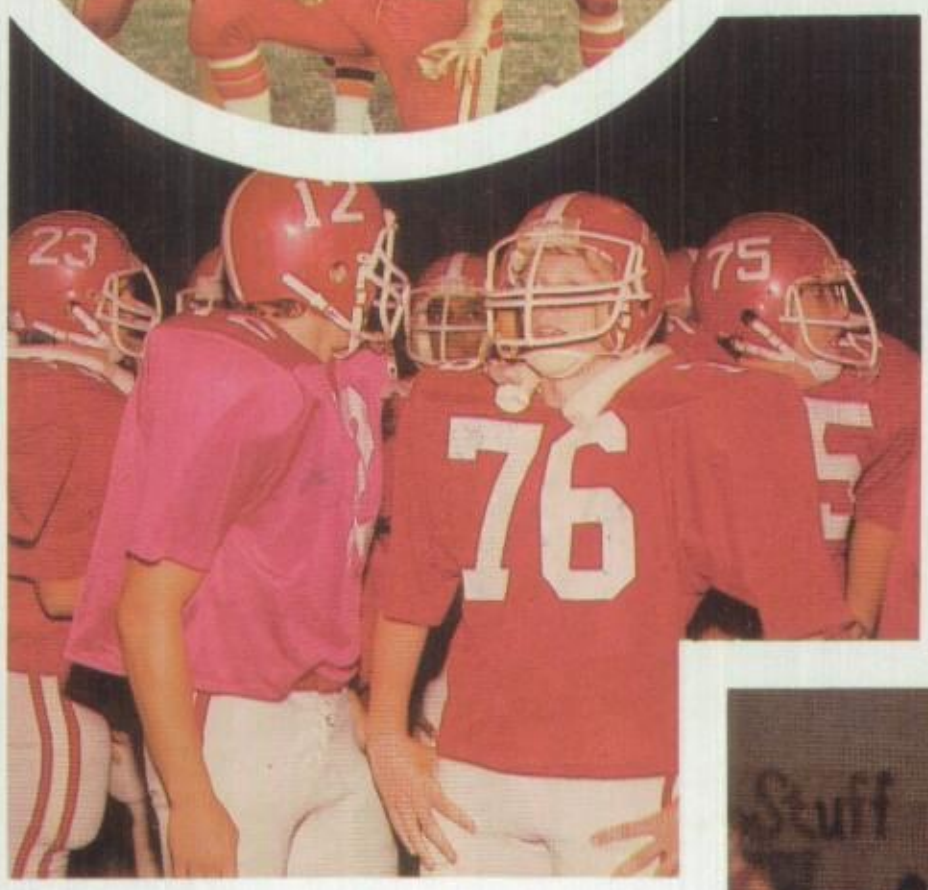


OUR LIFE AT O.H.S.

Somedays we come to school with ants in our pants. We can't be still and we're not completely satisfied until we have committed some wild and crazy act. Then on some days we are in no mood to do anything and often we are considered grouchy by our friends. Whatever the mood, there is always another day to carry on our life at OHS.







PRIDE

There are many ways in which to show PRIDE but there is no better way than by participating in school activities. By getting involved we learn to work together as a team, we learn to share our feelings of success and accept our sorrows of defeat, but most of all we learn to always have pride for our school and ourselves.

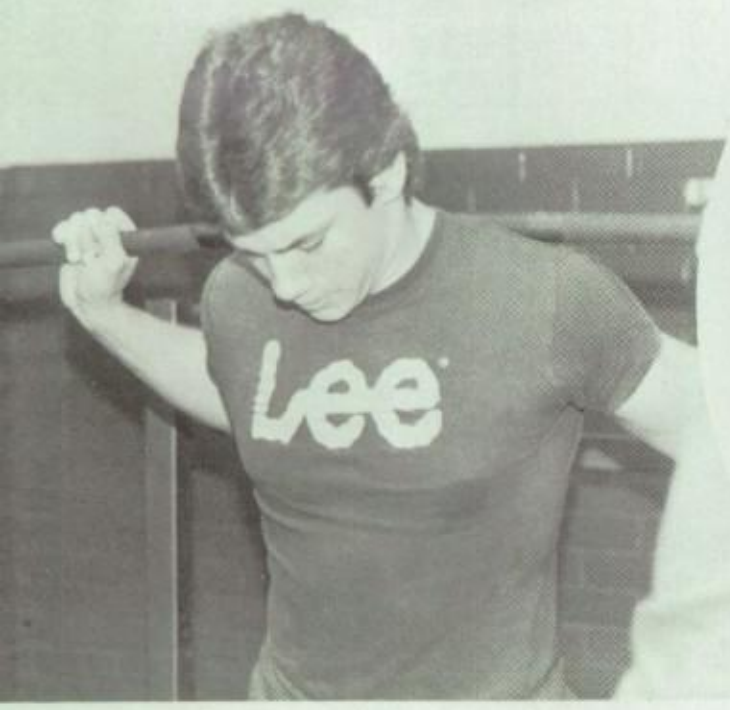
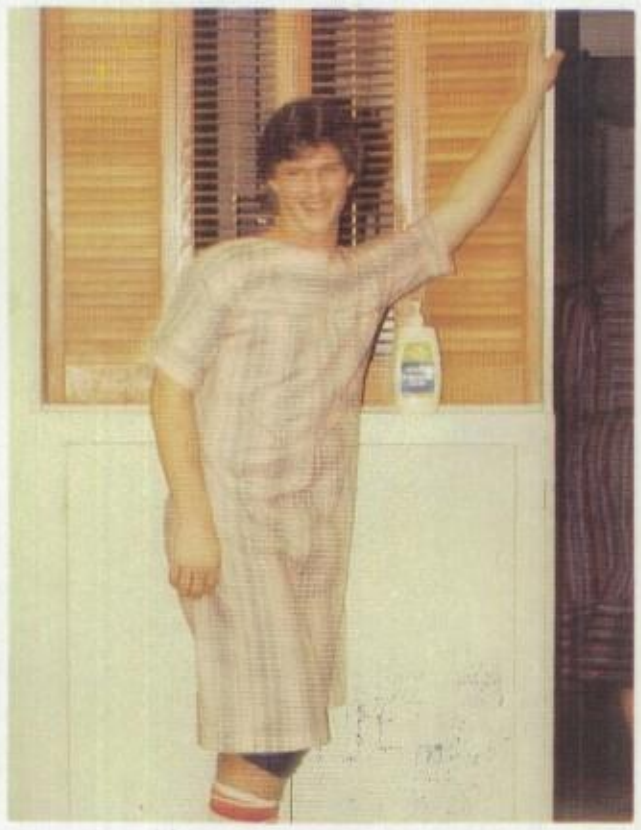
EXPRESSIONS

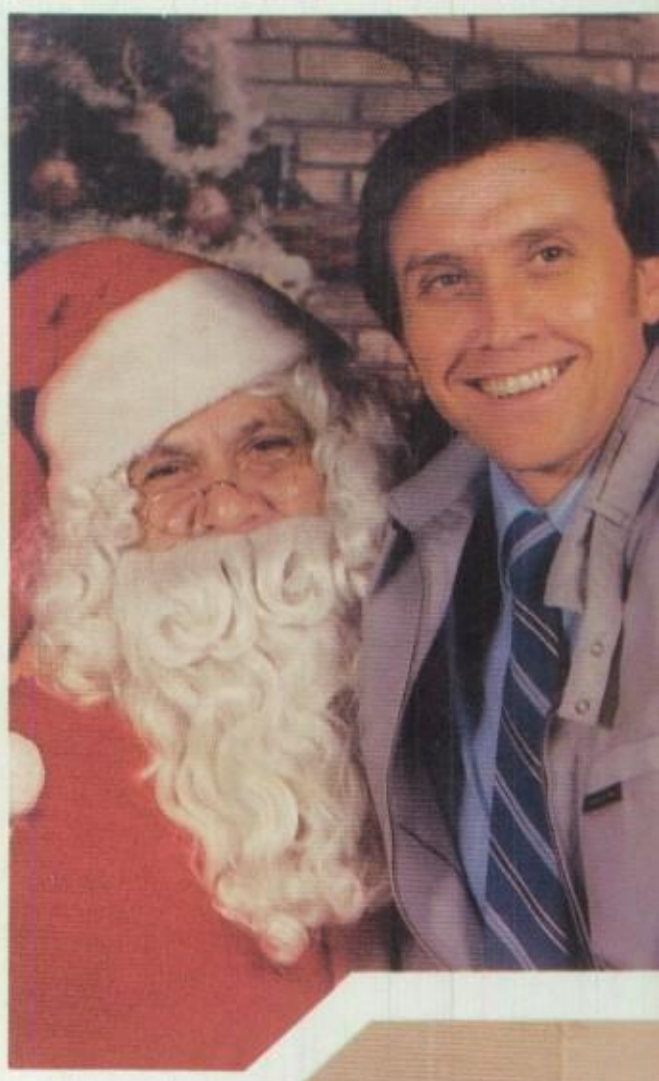
No matter what the occasion or what the event, there is always going to be an expression on a person's face. It may be a smile showing happiness for making a good grade, or it may be a frown for remembering that dreaded test next period. Whatever the feeling, our EXPRESSIONS are always worthy of being captured.

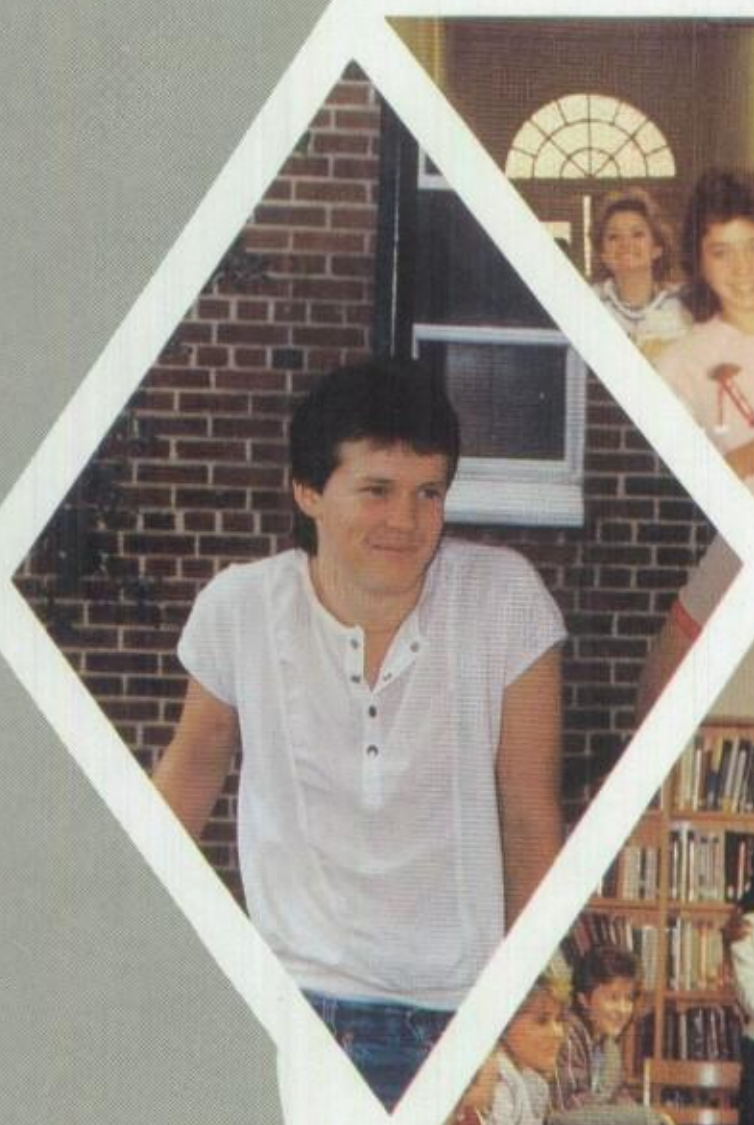


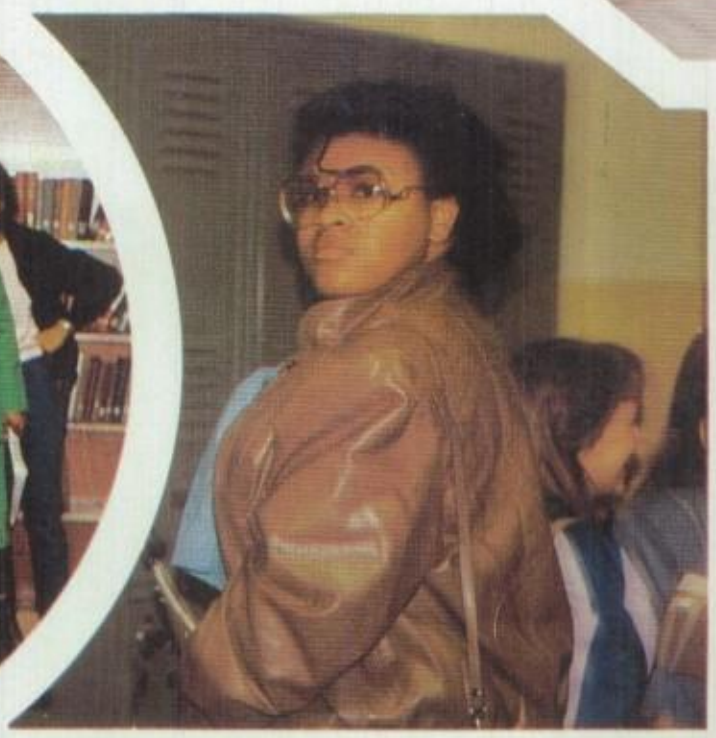
BE YOURSELF

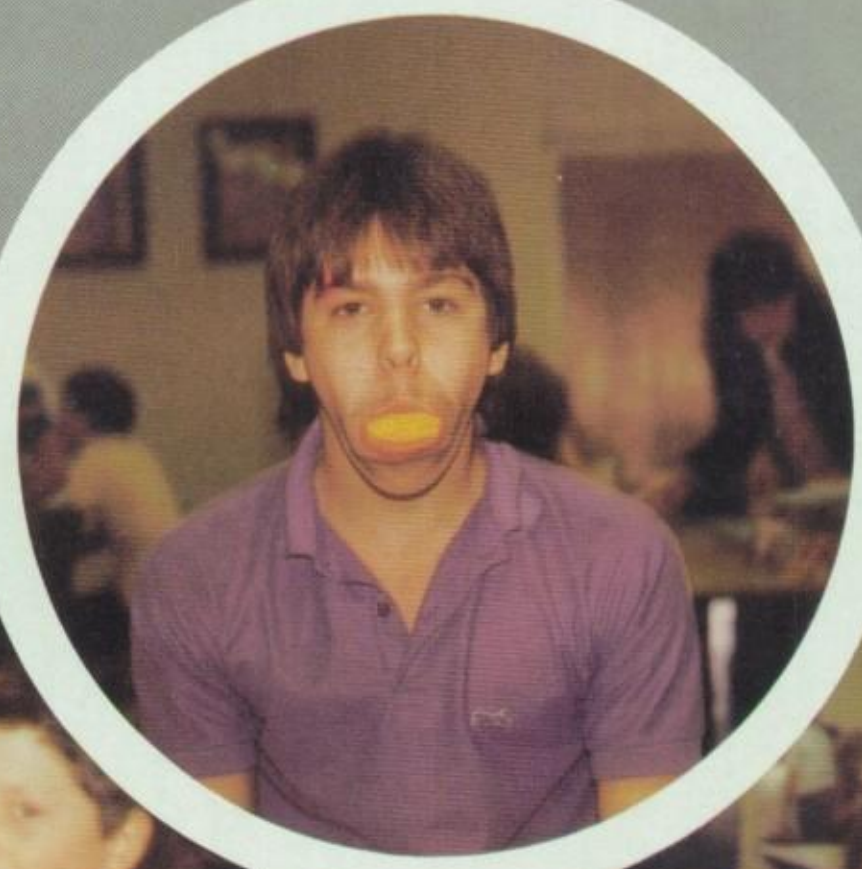
Sometimes there is a secret part of us hidden deep inside that only comes out during certain occasions. And when it does reveal itself we learn about one's true self. So many times in our years of growing up, we try to be someone else. We try to hide that part of us that is special and unique. Always be yourself and people will appreciate you and respect you for that fact alone.

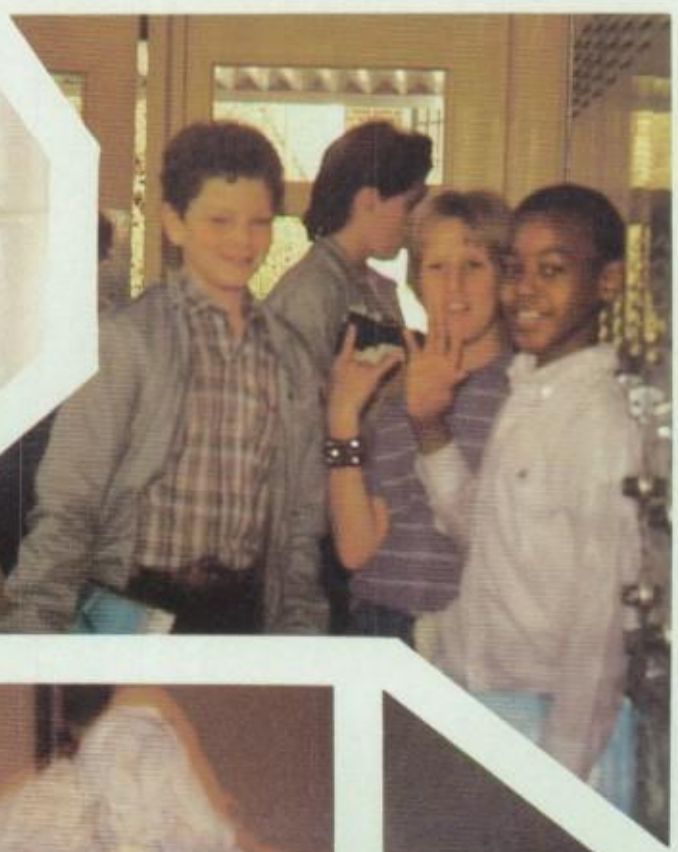


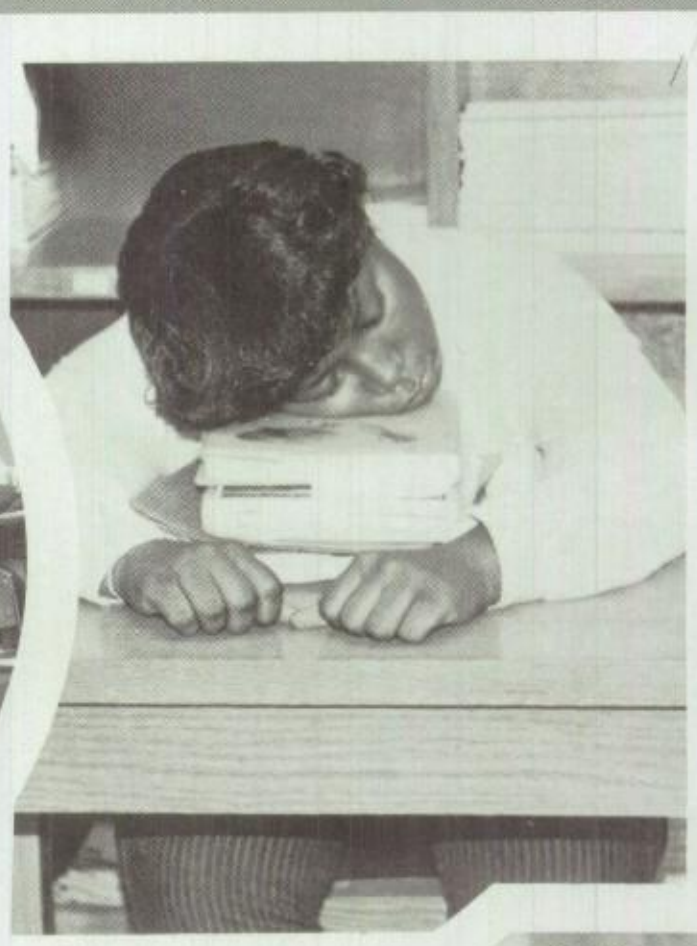


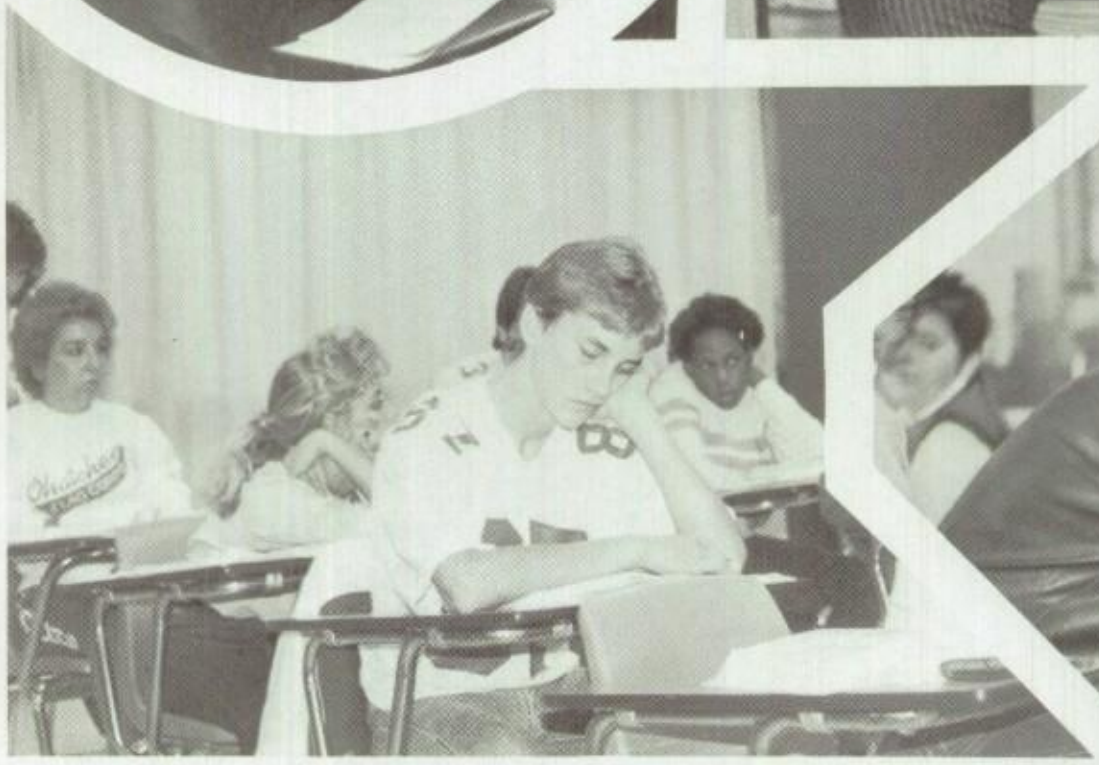


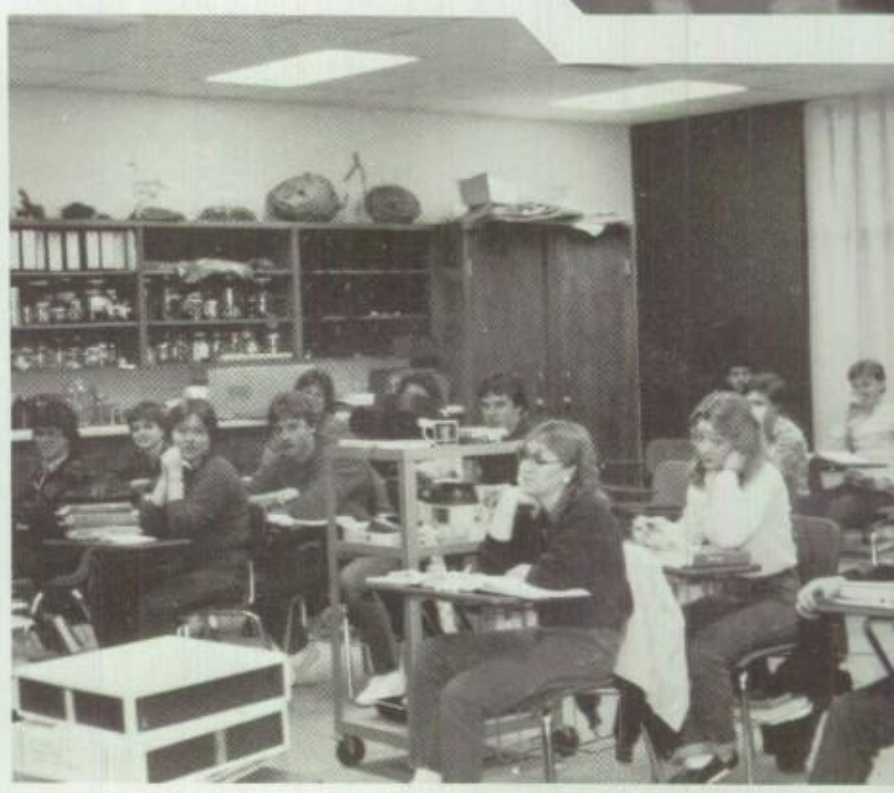












CLASSES

Is that bell ever going to ring? We arrive
in the morning still sleepy-eyed,
wishing we were still at home in the bed.
The day drags on until finally,
we find ourselves in the last class.
Some of us manage to stay
awake but . . . some of us just can't
make it.

. . . Pure steel and sex appeal — the women's pet and the men's regret!

Dorothera Douthard

This is the true measure of love: when we believe that we alone can love, that no one could ever have loved so before us, and that no one will ever love in the same way after us.

Jeanetta Douthitt

Life is not a "brief candle". It is a splendid torch that I want to make burn as brightly as possible before handing it on to future generations.

It's not what you do; it's what you get caught doing.

Ty Hurst

I never make the same mistake twice. Every day I make new ones.

Future Farmers of America

Sponsor, Jim Morris

The FFA (Future Farmers of America) stands for leadership, citizenship and cooperation. The FFA strives to develop these qualities in each member. We try to abide by our motto: "Learning to do, doing to learn, earning to live,living to serve." This tells a great deal about the FFA.

The FFA is not just woodworking but it is teaching its members the responsiblities of life. In short the FFA helps to mold a young person's future.

SENIOR BETA

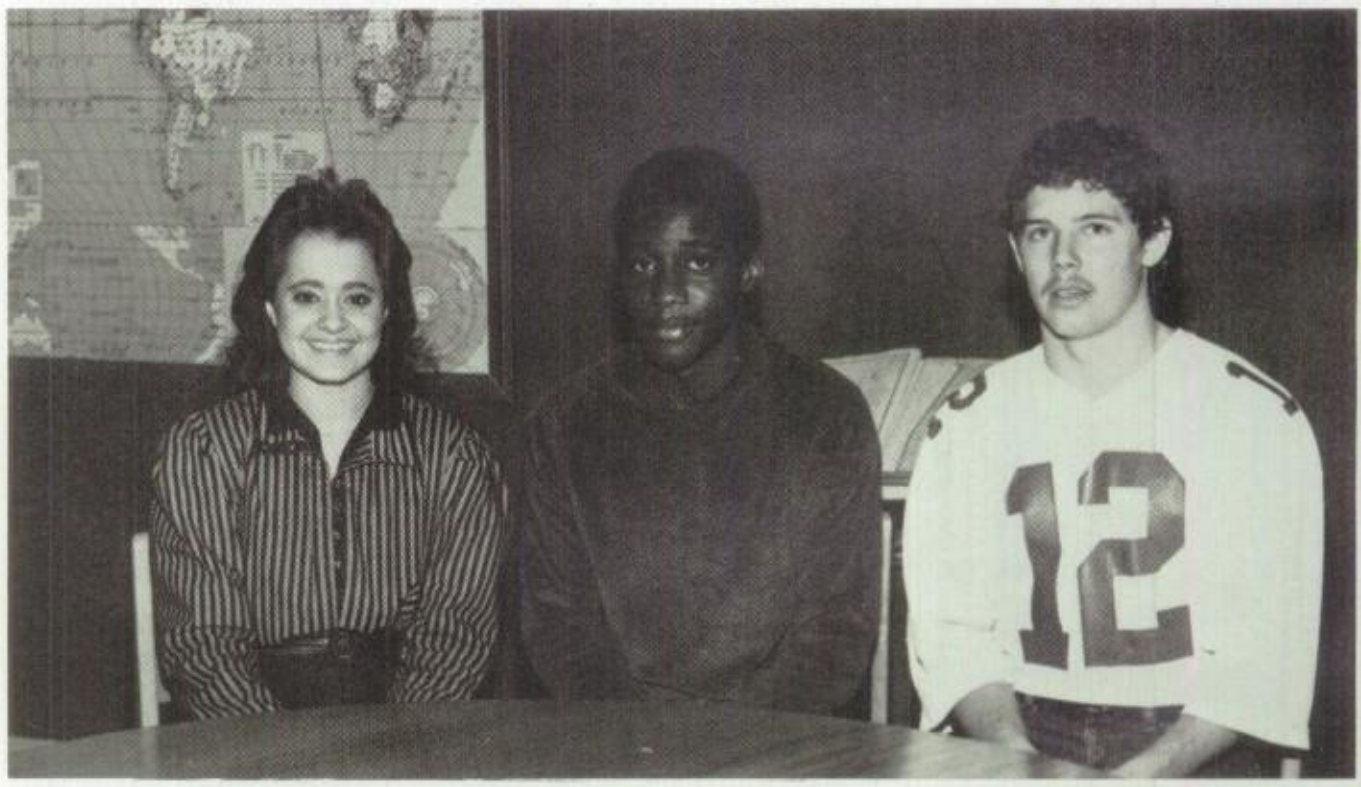
Sonsor, Vickie Garrard

Senior Beta Club is a service and honors organization for juniors and seniors who qualify on the basis of their grades, character and attitude. The Senior Beta Club's main purpose is to encourage and reward those students who strive to maintain high standards for themselves.

This year our club sent seven delegates to the State Beta Club convention in Birmingham. We nominated Bubba Woodall for State Vice President and had a good time campaigning even though we didn't win. The convention was a lot of fun and we plan to attend again next year.

We would like to see our club grow and participate in more activities each year.

Officers



L-R: Lucretia Gower, Secretary; Namon Collins, Vice President; Todd Hurst, President.

JUNIOR BETA

Sponsor, Laura Lockette

Junior Beta Club is made up of students in ninth and tenth grades who have been invited to join because of their excellent grades and good citizenship. Second semester eighth graders are eligible for induction each year.

One purpose of Junior Beta is to encourage effort and reward merit among students. In order to encourage students in fifth and sixth grade to make better grades, we have planned and carried out an elementary honors program this year. Each six-weeks those students who made all A's and B's were presented with merit badges.

Officers

L-R: Joey Zurchin, Vice President; John Pruitt, President; Tamara McIntosh, Secretary.

STUDENT COUNCIL

Sponsor, Gail Carpenter

The purpose of the Student Council is: (1)to create opportunities for closer cooperation between students and faculty (2)to provide opportunities for students' self-direction (3)to provide a forum for the discussion of questions of interest to the student body.

This past year, the Student Council successfully completed two annual projects. The first was the activities for the 1984-85 Homecoming. The other was our White Christmas Program. The Annual Talent Show is also a standing project of the student Council.

The 1984-85 Student Council has clearly been successful and prosperous.

FUTURE BUSINESS LEADERS OF AMERICA

Sponsor, Frances Morris

Future Business Leaders of America is a very active and working club. Many projects are sponsored by FBLA for community members. The second annual Red Cross Blood Drive was held this year with many pints of blood being given by our community. FBLA also reached out to the elderly at Christmastime with a bit of Christmas cheer by decorating trees in the homes of many elderly. FBLA also sponsors the annual Miss Ohatchee Pageant in the spring. The involvement of Future Business Leaders is endless!

HOMECOMING 1984

Homecoming Queen – Lucretia Gower

Homecoming is usually noted for the many festive activities, and this year at Ohatchee High School the story was no different.

Everyone seems to self-consciously look forward to homecoming even weeks before it arrives. As the final week grows near, talk of the dress-up days fills the halls with excitement and wonder. What will be chosen outfits and how crazy will everyone look?

The day of the big game everyone is anxious to get through that last class and head for the pep rally. The spirit shown by all the students is overwhelming. Everyone is behind the tribe.

During half-time in the "big" game, Lucretia Gower was crowned Homecoming Queen. She shared with us her tears of joy and her smile of happiness. Also in the court were Pam Sewell, Kim Magourik and Jeanetta Douthit. Junior High Princess was Cindy Gates.

Yes, Homecoming is truly a memorable event at OHS.

A Special Memory . . . "Doc" Owens

As the 1985 Warrior Staff strives to capture our school memories, we would like to focus on a special memory that will never be forgotten. That memory is the inspiration, dedication, and love of Doctor Roy C. Owens.

Dr. Owens, better known as "Doc," was a very special part of the Ohatchee football program. He began his work with the team in 1952. Since that time, he has become an honorary member of the Ohatchee Alumni Association, the football field has been named "Roy C. Owens" field, and he has been named "Mr. Ohatchee." "Doc" has a very special place in each of our hearts. His hard work, dedication and love to our school will never be forgotten.

Ah, the feeling of such sweet success! For all the Ohatchee players and supporters, this feeling was extremely mutual.

At first, things were a little shaky, but in no time at all, confidence had overwhelmed everybody and had taken complete control. The Tribe went from field to field, each game making them stronger and more powerful. They were soon in love with the feeling of being on top – being number one!

The ending of the county games was an explosion that sent the Indians soaring on to state. The excitement that filled the air on the day of departure for Millport is indescribable. The cars were covered with red and white. The faces were those of the Ohatchee Indians, and the spirits of everyone were higher than the biggest, whitest, puffiest clouds.

This was truly a great year for the Tribe and their success was well-deserved and will always be remembered.

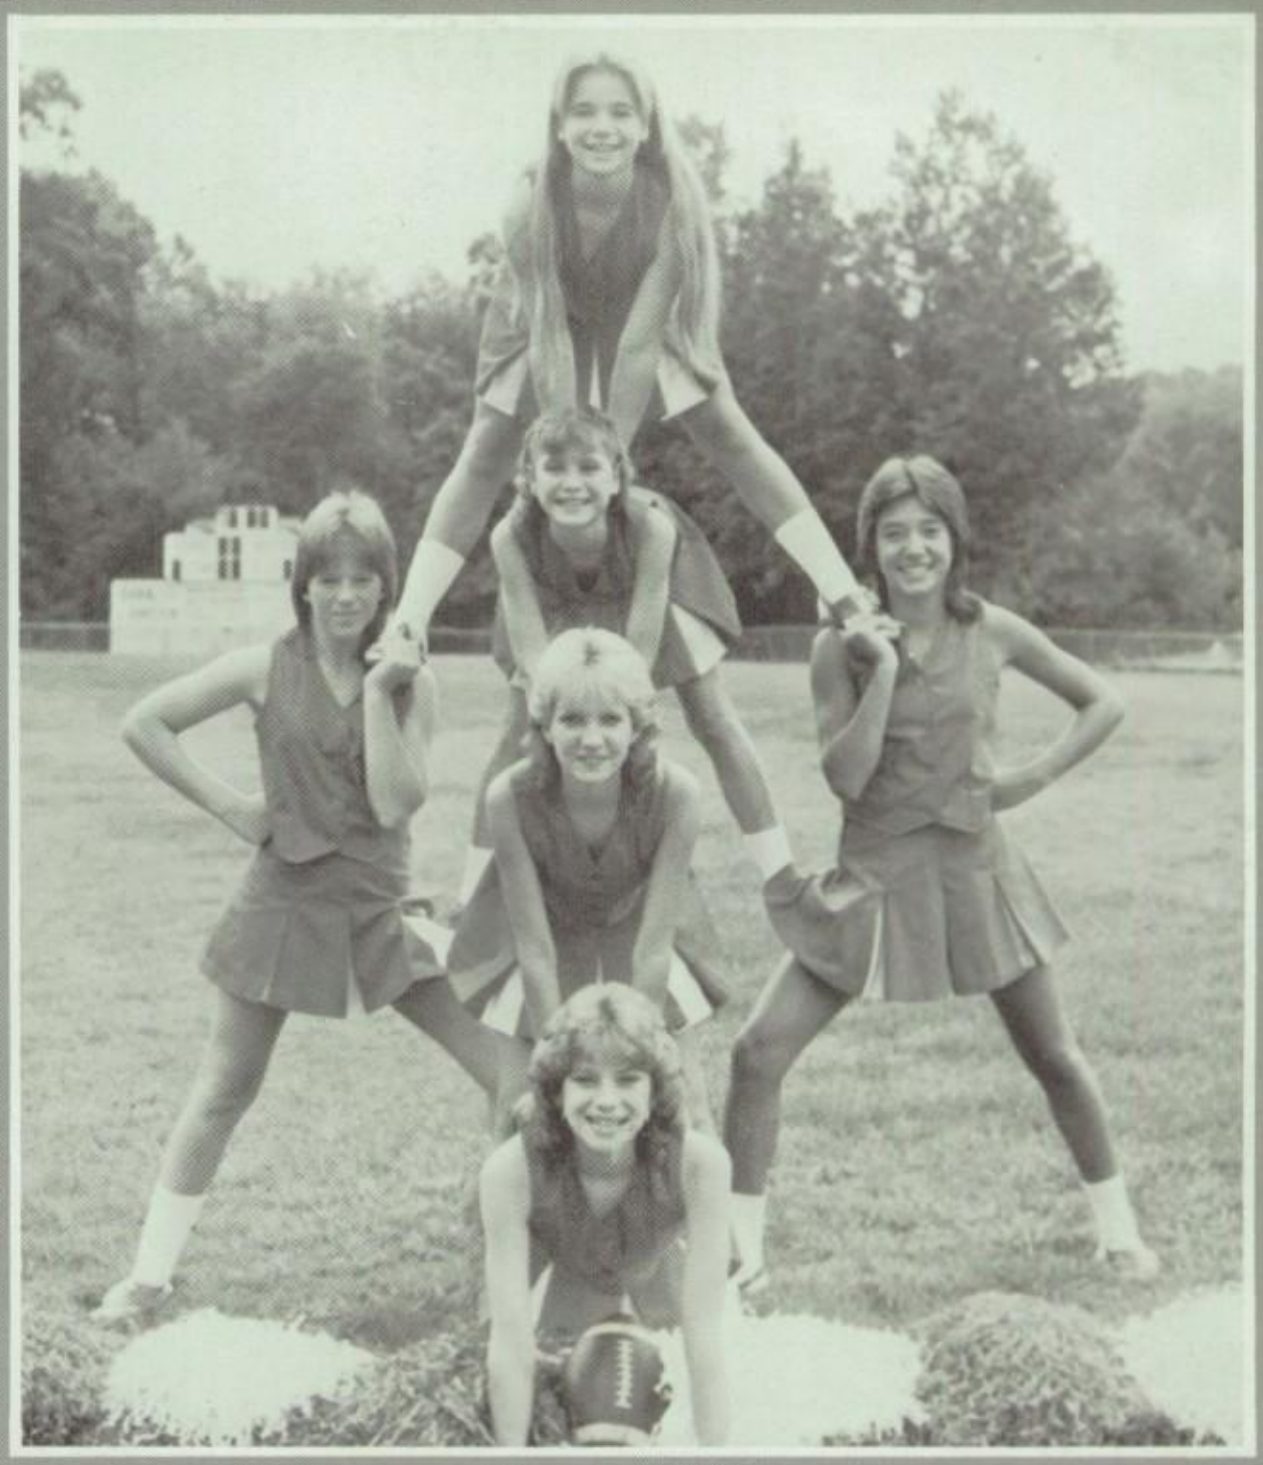
JR. HIGH CHEERLEADERS

A year has its good and its bad; and whatever the case may be, we must always keep our heads high and give one hundred and ten percent.

This year was not a most rewarding year for our Junior High Football team, but they didn't give up. They fought with all they had and still were able to maintain their winning spirit. The cheerleaders supported them, cheering them on to the very end. Regardless of the scores, the cheerleaders still love their team.

So we find that winning is something, but it isn't everthing; and as long as we hold on to our pride, we will always be on top.



Top to Bottom: Tasha Simpson, Celena O'Dell, Dana Nunnally, Kendra Poole, Regina Howard, Carol Tucker.

VOLLEYBALL

The volleyball team started practice in August and worked very hard to accomplish the title of Area Champs. There were three seniors on the team: Mandy McQuay, Pam Sewell and Jeanetta Douthit, these girls will be missed. But there are more girls to come and the team hopes to accomplish even more next year. In August, the team went to clinic in Birmingham. The clinic was sponsored by the University of Montevallo. In the Area Championship, Mandy McQuay was MVP. Pam Sewell, Sharolyn Hunter and Jeanetta Douthit were best players. The outlook for the 1985-86 year is very promising.

Left to Right, Top Row: Nunnally, Woodall – statistician. Third Row: McQuay, Finley – Coach, Sewell. Second Row: Hunter, Douthitt, Reaves. Bottom Row: McDill, Simpson.

The baseball team beat Collinsville 24-3 and Ragland 12-3 in the 2A, Area 12 sub-regional playoffs. They lost to Gaston in the area 12 Championship. Considering it has been a few years since our boys have been able to have a team — OHS Fans thought they were tops.

DRUMS

About nine years ago, the OHS band was, for the first time, put into action. Since this day the band has grown bigger and stronger each year – correcting old mistakes and accomplishing new goals.

As the football season rolled around, the excitement built in each band member as they practiced long and hard preparing for those special half-time shows. The long hours soon paid off as they brought home from both Lincoln Marching Festival and Pell City Marching Festival superior ratings. The year, though, was not quite over when the last game had been played; they then began to prepare for what was soon to be the best concert season ever. They attended district competition passing with superior ratings which gave them the opportunity to attend state for the first time in the OHS band history.

As the 1984-85 school year draws to an end, the band members continue to work hard preparing for those exciting years to come.

This year, Juniors have a very unique closeness. Through the years past, they made mutual friendships that will last a lifetime. Their hopes and dreams of the future grow stronger as the excitement of the end of this year arrives. They will finally have the chance to be labeled "Seniors."

Climbing the steps of their high school years, the juniors found that they had grown closer. During the pep rallies, the class pulled together to show their overwhelming spirit for a winning team. As the year progressed, the juniors began working on the prom which most juniors believe will be the best ever. This year one of the main goals of the juniors is to pass Mrs. Sprayberry's class. With English, chemistry, and geometry, the juniors wonder if they will survive to finish this year!

The special friendships the juniors achieved did not come about overnight. They started out together many years ago, and hope one day to finish together.
